Togetherness

Learn English & Experience Toronto Together

Parent & Child Program

In the Parent & Child Program participants have the opportunity to experience a full and rich cultural learning experience with their children.

Parents will study Full-Time English (20 lessons/week) in our adult English language program, while their children take part in English language classes with other children and teens in the Summer English language camp program. On Saturdays, parents may join their children on the full day trips if they wish. (extra charges apply).
